For these reasons, the Board of Trustees may consider action to rescind an approved school name when sufficient cause exists.

   b. Sufficient cause to rescind the name of a school may exist when the individual for which the school was named has been convicted of a felony, a crime involving moral turpitude, or participated in any other disreputable behavior which would have a negative reflection or would bring discredit upon the District, its Trustees, staff or students.

7. For the purposes of this regulation, renaming an existing school and school name enhancement are different actions. School name enhancement is the act of enhancing the name of an existing school through the addition of a descriptor in the school title. (example: “STEM Academy” replacing “Middle School) Information regarding school name enhancement may be found in Administrative Regulation 7115.
